Sharon Mackey McEachern: Ceramic mini garden totems

Join Sharon Mackey McEachern for a one-day workshop to hone your ceramic skills. Sharon has been a practising artist for over 25 years and works in a variety of mediums including ceramics, printmaking and painting.

Her recent exhibition at Art Partners Australia demonstrates her expert technique which she learnt during artist residencies in 2017, 2018 and 2019 in Jingdezhen, China. Here she had access to the great ceramic and porcelain masters who taught ancient

and modern technical skills, many of which have been handed down over many of generations.

As a high school art teacher, Sharon has been inspiring the next generation of artists, cultivating and developing students as well as teaching a variety of adult workshops.

Don't miss this opportunity to learn a range of ceramic hand building techniques, including decorating with texture and colour underglaze to create a small garden totem.
